

CREATION MUSEUM

Prepare to believe.

The Creation Museum presents a “walk through history.” Designed by a former Universal Studios exhibit director, this state-of-the-art 70,000 square foot museum brings the pages of the Bible to life while providing a fully engaging, sensory experience for guests. Murals and realistic scenery, computer-generated visual effects, dozens of exotic animals, life-sized people and dinosaur animatronics, and a special-effects theater complete with misty sea breezes and rumbling seats are just some of the impressive exhibits that everyone in your family will enjoy.

Introduction

This DVD was created to provide short answers to the most-asked questions from *The New Answers Book 2*. Topics covered include the Tower of Babel, the ID movement, the big bang, progressive creation, and the Genesis Flood. These are all questions that Bible-believing Christians must be equipped to answer. It is our hope that this DVD will strengthen you (and your group) so that you will be equipped to defend the Bible's authenticity and authority, and demonstrate that the Bible is reliable, and that Genesis 1–11 is a true historical account.

Using *The New Answers DVD* with Groups

We suggest that you view one segment per study, allowing plenty of time to cover the topic and answer any questions. First, introduce the topic to the group and discuss the questions listed under “Before viewing.” Next, watch the DVD segment together. Finally, discuss the questions listed under “After viewing.” If someone has a question that you cannot answer, direct him or her to www.AnswersInGenesis.org or to any of the recommended resources that are listed at the end of each video segment.
