Lesson 23

Color the picture to help you remember that the flood created fossils.

**Plants and animals were quickly buried by water and mud.**

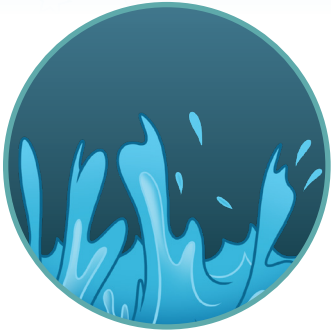

We can see evidence of the global flood today!

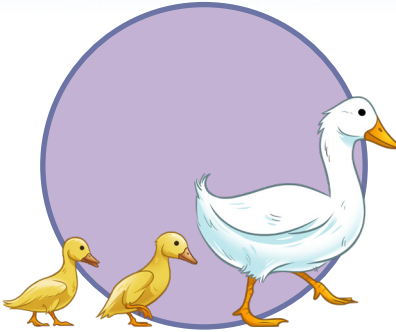

## Lesson 23

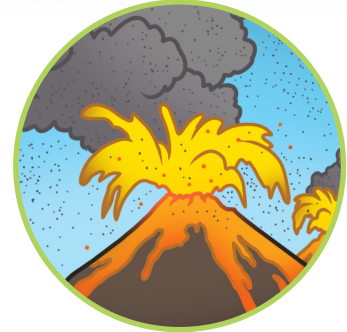

Circle changes to the earth that happened during and after the flood.

Waters burst up from under the ground.

Birds were created.

Volcanoes erupted.

An ice age happened.

Animals and plants were buried.

Adam and Eve sinned.
