FOREWORD.....	11
ACKNOWLEDGEMENTS.....	13
INTRODUCTION.....	14
CHAPTER 1 THE SCRIPTURAL SETTING.....	17
Peter’s Last-Days Warning.....	18
Uniformitarianism, “The Present Is the Key to the Past”.....	19
Willful Ignorance.....	20
Coming Judgment and Restoration.....	23
CHAPTER 2 HISTORICAL DEVELOPMENT OF THE CREATION/EVOLUTION DEBATE....	25
Saving Scripture.....	28
A Common Thread.....	28
Compromise Tested.....	29
A New Tactic.....	30
Summary.....	31
CHAPTER 3 A SCRIPTURAL OVERVIEW OF CREATION, THE FLOOD, AND ITS AFTERMATH.....	33
The Geology of Creation.....	33
Day One.....	33
The Stuff of Earth.....	34
Day Two.....	34
The Waters Above.....	34
Benefits of Living in the Early Earth.....	35
Day Three.....	36
After Their Kind.....	38
Day Four.....	39
Day Five.....	41
Day Six.....	41
The Finished Creation.....	42
After the Creation.....	42
The World Altered by the Curse.....	44
The Pre-Flood World.....	44
Geologic Changes to the “Very Good” Earth.....	45
The Flood’s Effect on Mankind.....	46
Dispersal at Babel.....	46
Summary.....	47
CHAPTER 4 THE SCRIPTURAL NECESSITY OF THE GLOBAL EXTENT OF THE FLOOD....	49
The Depth of the Flood.....	49

	The Duration of the Flood.	50
	Physical Causes for the Flood	52
	The Need for an Ark	56
	Destruction of All Mankind	58
	Destruction of Earth and All Flesh	60
	Promise of No More Floods.	61
	Many Expressions of the Global Nature of the Flood.	62
	The Testimony of Jesus Christ	65
	The Testimony of the Apostle Peter	65
	Summary.	65
CHAPTER 5	HISTORICAL REFERENCES TO CREATION AND THE FLOOD	67
	Do We Have a Record of Life Before the Flood?	67
	Do Other Ancient Sources Mention the Flood?	69
	The Epic of Gilgamesh.	70
	An Even Earlier Account	71
	Yet Another “Document”	72
CHAPTER 6	QUESTIONS AND ISSUES CONCERNING THE GLOBAL FLOOD	77
	Where Did All the Water Come From?	77
	When Did the Mountains Rise?.	79
	Where Did the Water Go?	79
	How Could All the Animals Be Housed on Board the Ark?	81
	Is Housing 50,000+/- Animals on a Huge Ship within the Realm of Possibility?	85
	How Could Noah Build the Ark?	86
	How Could Noah Gather All the Animals?	87
	How Could Noah Care for the Animals?	89
	How Could the Ark Survive the Flood?	89
	How Did All the Animals Get to Their Present Locations?	90
	Wasn't Evidence for the Local Flood Discovered?	96
	The Black Sea “Local” Flood	96
	Summary.	97
CHAPTER 7	SCIENTIFIC EVIDENCE THAT THE FLOOD WAS CATASTROPHIC IN NATURE.	99
	Accepted Catastrophes.	99
	The Channeled Scablands	100
	Cavitation	101
	The Touchet Beds in Burlingame Canyon	102
	Mount St. Helens Eruption.	103
	The Young Earth	105
	All Rock Types Require Catastrophic Deposition.	105
	Sedimentary Rock	105
	Sandstone	105
	Shale	106
	The Chattanooga Shale: An Evolutionary Enigma	108
	Limestone	109
	Igneous Rock.	114
	Metamorphic Rock	115
	Catastrophic Erosion	118
	Sharp Contacts and Earth's Rotation	120

	Fossils	122
	Soft Tissue in Fossils	125
	Significant Challenges to Uniformitarian Thinking	127
	Salt Deposits	127
	Buried Coral Reefs	127
	Stalagmites and Stalactites	129
	Petrified Wood	130
	Out of Order Strata	131
	Catastrophic Deposition of Mega-breccias	133
	Astroblemes	134
	Radioisotope Dating	134
	Multiple Dating Techniques	138
	Carbon-14	139
CHAPTER 8	SCIENTIFIC EVIDENCE THAT THE FLOOD WAS GLOBAL IN EXTENT	143
	Rocks Dated as Precambrian	144
	Vishnu Schist	145
	Zoroaster Granite and Other Granites	146
	Paleozoic Strata	146
	Tapeats Sandstone	148
	Bright Angel Shale	149
	Muav Limestone	151
	The Tonto Group	151
	Megasequences	152
	Redwall Limestone	154
	The Kaskaskia Megasequence	154
	Surprise Canyon Formation	155
	Supai Group	155
	Hermit Formation	155
	Coconino Sandstone	156
	Toroweap Formation	158
	Kaibab Limestone	158
	Mesozoic Sediment	159
	Moenkopi Formation	161
	Shinarump Conglomerate	162
	Chinle Formation	162
	Zion Canyon	163
	Navajo Sandstone	163
	Bryce Canyon	163
	The Tejas Megasequence	164
	Megasequence Data Compiled	164
	The Quaternary Period	165
	A Big Picture Look at the Sediments	167
CHAPTER 9	THE MESSAGE OF THE FLOOD	169
